Elective		

__NCAA/NAIA Requirements:__ If a student wants to partipate in sports or many activities at the collegiate level, parents and students need to check the requirements at NCAA Elibility Center (https://web3.ncaa.org/ecwr3/) or NAIA (https://play.mynaia.org). If a student does not meet these academic requirements, not only will they not be able to participate, but they will not be able to accept scholarships.
